REPORT

Our Mission Statement

Westfield Youth Assistance Program (WYAP) advocates for youth ages 3-17 who are facing challenging life circumstances. We collaborate with our community's vast array of talents, services and resources to help empower our youth, parents, and caregivers.

WESTFIELDYAP.ORG

A Note of Gratitude From the Board President

Dear Friends,

Westfield Youth Assistance Program (WYAP) has reached a great milestone, helping youth ages 3-17 overcome challenging life circumstances in Westfield for the **past 15 years**. WYAP has received **1,471 referrals** since the program was started in 2009. Due to Westfield's success, the program has expanded into all of the Hamilton County communities and has even inspired other parts of Indiana to follow the WYAP model. Thanks to supportive donors, partners, board members, and volunteers like yourself, WYAP has been able to help Westfield youth and their families achieve their greatest potential. Your unwavering commitment and passion have been the driving force behind WYAP's success. Without your contributions, none of this would have been possible.

As I reflect on the past year, I am filled with immense gratitude for the remarkable achievements we have accomplished together. It is my honor to continue to serve as the President of the Board, and I am delighted to share the highlights of our collective efforts and the positive impact we have made through this 2024 Annual Impact Report.

To begin, I am excited to reveal a key 2024 project, which was the creation and launch of the new website westfielddyap.org. I hope you will visit this new website and share it with others.

In 2024, WYAP was grateful to have received grants from our partners Arthur Dean Family Foundation and Central Indiana Community Foundation. Additionally, we are grateful for the City of Westfield and the Advancing Westfield Foundation. WYAP received proceeds from the first annual Mayor's Grand Gala thanks to these partnerships. Without these significant contributions, WYAP would not be able to continue to sustain the level of programming that we have provided thus far.

WYAP was excited to launch "The Double" Walk/Run, our new annual event. In August of 2024, the event launched with about **200 participants** at Cool Creek Park. It was wonderful seeing all the individuals and families come out to support one another and the WYAP cause. We are looking forward to seeing this event grow in the future and we hope you reach out if you would like to be involved in "The Double" or any other WYAP events.

Additionally, our community really stepped up their generosity for Giving Tuesday this year. We were elated that donations reached **\$28k**, eclipsing any prior year and surpassing our goal for the campaign. WYAP was immensely grateful to have had two anonymous matching donors, who have continued to support WYAP over the years.

WYAP is also grateful for our **220 partner agencies**. We are truly blessed to have a community that genuinely cares about our youth. While WYAP directly provides case management, mentoring, tutoring, and attendance & behavioral support programs, we take a holistic approach and see that many youth and their families also require connections for their basic needs, mental health, parenting supports/education, camps, and enrichment activities. These partners are integral to helping us assist the families that are referred to us within these areas.

We could not have achieved these accomplishments without you or our amazing community. Looking back at the significant 2024 achievements and reflecting on the opportunities ahead, WYAP has proven to be an essential community resource. We look forward to sharing many more milestones with you and deeply appreciate your commitment to helping WYAP meet the needs of our youth.

With heartfelt appreciation,

Tammy Havard

MENTORING & TUTORING

Provide identified youth with a meaningful experience from a caring, trusted adult. Its primary goal is to guide our youth towards establishing a stronger connection within the community through a positive relationship with their mentor/tutor.

*"She's the best mentor I've ever had! I love hanging out with her and I love her personality."

"It's been an honor and a pleasure tutoring for WYAP. Personally, it's so inspiring to see a child learn the educational tools to thrive & feel success."

WELL-BEING PARTNERS

General counseling, anger management, and other mental health resources are provided for students through local partnerships with counselors, licensed mental health practitioners, physicians and other community-based resources.

WYAP recognizes the importance of connecting our youth and families with mental health services and other professional services to work through the obstacles of life such as divorce, separation, grief and loss, domestic violence, raising grandchildren, parenting, alternative education, addiction, etc. These are all tough challenges for our youth.

"I've been so worried about my boys' anger; they've not had a lot of positive men to look up to in their lives, and I know that I lose my cool with them too and have not always been a good model of managing my anger either with them, so I cannot thank you enough for your help with providing us a family therapy support that works for our family. It really has meant so much, and although it's not perfect, we are getting there." - Mom of Youth

As we work with families, we prioritize communicating that they are not alone and emphasize that one's emotional and mental well-being comes first and foremost before truly being able to work through the other things in our lives successfully. WYAP is truly grateful for partnerships with organizations like the ones listed below, who have been essential to meeting these needs for well-being:

- Aspire
- Baume Psychological Services, P.C.
- Brooke's Place
- Buenamente
- Cherish
- Collaborative Change
- KidPsych, Inc
- LifeSolutions Counseling
- Mini Minds- Carmel
- Momentum Couples and Family Therapy, LLC
- Prevail of Central Indiana
- Spark Recovery
- St. Vincent School Based Behavioral Health Services through Ascension St. Vincent Hospital
- The Cabin
- The Chris Center Inc.

...and many others!

CAMPS & ENRICHMENT

We assess the local community's provision for wholesome leisure-time activities & provide camping/enrichment opportunities to youth.

"I want to thank you for the opportunity to be part of the summer camp. I hope that many children can be part of this adventure! This was my first time ever going to camp, and I loved it! I really hope it will be possible that I can go again! I also made a whole lot of friends!" -WYAP Youth

Camp & enrichment opportunities provide our youth with MANY benefits:

- Sense of connection within community
- New friendships & peer/social connection in a positive environment
- Improved self-esteem and confidence
- Life skills
- Increased independence
- Sense of purpose
- Connection with nature
- Constructive use of time

COMMUNITY INVOLVEMENT

Our impact would not be possible without the many volunteers in the community that give their time throughout the year.

This year more than **120** community members volunteered through mentoring, tutoring, events, outreach, and through our Board of Directors. We also greatly appreciate the **over 220** organizations that partner with us to help provide services to our youth. A full list of our partners can be found on pages 14-16.

HOLIDAY GIVING

We are so grateful for the donors & shoppers who gave so generously for our youth needing supports for the holiday! A massive thank you to Ashley Knott and the Westfield Education Foundation who helped a majority of our youth this year. We would also like to thank Westfield Washington Schools, Hamilton County Sheriff's Office Community Foundation, Westfield Fire Department, Secret Families of Hamilton County, the Women of Osborne Trails, and Kiwanis Club of Westfield. Additionally, thanks to Good Samaritan Network for holiday supports to our families countywide. Overall, more than 107 youth were provided holiday assistance through these combined efforts.

A NEW SHOE DAY

Thanks to the generosity of the organization New Shoe Day, WYAP connected 120 youth with new shoes for the upcoming school year. This is the second year in a row that New Shoe Day has provided our youth with new shoes, and we couldn't be more grateful for this partnership. We know our youth were excited to show off their new kicks & confident for a great school year!

GRANTS

WYAP was thrilled to be the recipient of two separate grants. We received \$15k from the **Arthur Dean Family Foundation**. The money went towards supporting the tutoring program for the '24-'25

school year. WYAP also received \$15k from the **Hamilton County Community Foundation**, a CICF Affiliate. The grant supported our EIAs in connecting youth with services, including mentoring, tutoring, mental health supports, camps, and other enrichment activities.

MARKETING, PUBLIC RELATIONS & EVENTS

We strive to develop and implement public relations strategies & campaigns within the community to market WYAP and increase its visibility. We were fortunate this year to have many opportunities to market our program to the community.

Youth Recognition Breakfast

Our 14th annual Youth Recognition Breakfast, held May 1st at IMMI Conference Center, honored **15 students** who have overcome adversity, demonstrated positive change, or made a positive academic turnaround. The recipients ranged from first through eighth grade.

The student honorees received a brief presentation that highlighted their accomplishments and a special greeting from Blue, the Indianapolis Colts' mascot. They received their certificates from WYAP Board President, Tammy Havard, and Mayor Willis.

At the event, WYAP awarded our annual Christine D. Brown Memorial Scholarship to Reis Middleton, a senior at Westfield High School.

The following events gave us the opportunity to share more about WYAP with the community in 2024 as well:

- Farmers Market
- Party on the Patio
- Jake Laird Community Day
- Rock the Block
- Savor Westfield
- Westfield in Lights

GIVING TUESDAY

Our Giving Tuesday campaign on December 3rd was a huge success. We were so grateful for our two anonymous donors **who matched up to \$12k in funds**, to double our donations for a total of \$28,067, surpassing our goal of \$24k!

DEVELOPMENT

Our development activities help provide for the program's budgeted financial needs and material items or other resources which may be used in meeting youth and family needs.

WYAP Board of Directors

Our Board of Directors is made up of **21 volunteers** in the community who support our organization through their fundraising and marketing efforts. Thank you to our Board who donate their time to help make WYAP successful. Your role in our organization is so valued!

In-Kind Donations

In 2024 we received over \$200k in-kind donations from over 65 supporters throughout the community. These non-cash gifts are vital to our operations and our ability to serve youth.

"The Double" Walk/Run

WYAP held our first "The Double" Walk/Run on August 17th at Cool Creek Park. We had 183 participants who walked and ran a 2-mile closed loop around the park. It was a great way to kick off our newest annual fundraiser, and we were thrilled with the community support. Participants were treated to doughnuts courtesy of Titus Bakery, along with snacks and water from Meijer in Westfield.

"I really enjoyed attending 'The Double' Walk/Run.' The course was beautiful and it was great to get out and do something active, while also supporting a great organization. "
